Casa Italia collaborates with ILVE Appliances

Since arriving in Australia in 1984, ILVE has become one of Australia's most sought after suppliers of premium ovens and cook tops. Staying true to its heritage, ILVE has become known as the brand for people who are simply passionate about cooking.

For almost 20 years, Casa Italia Gourmet Food & Wines have specialised in the wholesale of exclusively imported Italian products. So continuing in this dedication to Italian cuisine, the opportunity for these two companies to collaborate and align themselves for the promotion of all things Italian, would obviously be destined for culinary greatness.

As part of ILVE's "Win The Ultimate Degustation Experience" competition that was promoted through Facebook, 12 lucky winners from each capital city were invited to attend a 6 course degustation dinner that featured Italian inspired dishes such as Beef Casserole served with Roman Gnocchi and Steamed Ricotta Cheesecake. With courtesy of Casa Italia Gourmet Food & Wines and Scanpan, all winners also received a gourmet gift bag.

Products supplied by Casa Italia Gourmet Food & Wines for use in the gift bags and degustation dinner includes: Pastificio Venturino, La Russolillo, Labbate, Amari & Rinati.
