Casa Italia collaboration with Chef Consultant Luca Ciano

Casa Italia Gourmet Food & Wines have specialised in the wholesale of exclusively imported Italian products for over 18 years. We pride ourselves on the quality and uniqueness of our products, to bring that taste of Italy to the shores of Australia. Supplying business Australia wide and now also in New Zealand, we at Casa Italia Gourmet Food & Wines consider ourselves to be ambassadors of the Italian name and take satisfaction in our range of high quality gourmet products.

To further our dedication to the Italian cuisine, Casa Italia Gourmet Food & Wines have collaborated with recognised Italian Chef Consultant Luca Ciano. By leveraging Luca's culinary skills developed during his many years within the hospitality industry, we are able to ensure that the quality of our product range continues to meet the highest standards. In the upcoming fortnight, we will also be releasing a variety of "Italian themed" Christmas recipes that have been specially created for us by Luca Ciano. So foodies will definitely have something more to look forward to this Christmas!
