Celebrating 20 Years with Casa Italia Gourmet Food & Wines

It is with great pleasure and pride that **Casa Italia Gourmet Food & Wines** announces the celebration of our 20 Year Anniversary, which marks a milestone and achievement for our family owned company. Since 1993, we have worked to uphold the reputation of Italian culture and traditions by sourcing only the finest products from Italy.

"It is exactly 20 years ago today, that we started with this idea of importing gourmet food from Italy" says Casa Italia General Manager, Robert d'Amato. "And from such humble beginnings, it is such a pleasure for our company and family to be still involved all these years later and working with customers all around Australia."

As corporate sponsors of the Italian Chamber of Commerce for both Sydney & Melbourne, as well as an advocate of many Italian community events and groups, **Casa Italia Gourmet Food & Wines** consider ourselves to be Italian ambassadors which is evident by our diverse product range, fantastic staff & valued customers.

With the high demand for only the best quality, and our goal to keep promoting authentic Italian products, **Casa Italia Gourmet Food & Wines** will continue to bring a taste of Italy to the shores of Australia.
