Successful collaboration between Pastificio Venturino and Norton St Italian Festa 2012

After 26 years, it has been another successful event for the **Norton Street Italian Festa** in the heart of Sydney's 'Little Italy'. Crowd attendances approached 100,000 people, the weather was typical of a Spring day, and there were smiles all around.

The inaugural "**Pastificio Venturino Cooking Marquee**" was an obvious favourite for visitors to this event. As the crowds kept coming, there was standing room only during some highlights on stage which included a pizza making demonstration with Francesco Spataro from **Aperitivo** and the classing Italian cooking recipes with the eclectic Paolo Gatto from **Gatto Matto Trattoria**. There was also a cooking session with Rebecca Perry from **Food, Wine and Design** with her expertise and insight into Italian cuisine.

With many prizes and giveaways on the day, **Pastificio Venturino** also extends many thanks to the kind team at **Smeg** for providing all the cooking appliances used on stage.

More so, an event such as the **Norton Street Italian Festa** isn't possible without the support from **Leichhardt & Annandale Business Chamber** and **Leichhardt Municipal Council**, as well as the hard work from the event organisers, **Impact Exhibitions**.
